### Why do I need to provide this information?

It's a requirement that a claimant should be able to identify the relevant insurer from the Vehicle Registration Number (VRN). This requirement is met by the 'Motor Insurance Database' (MID) which has been designed to provide a record of all insured motor vehicles registered for use on the road.

Visit [allianz.co.uk/mid](https://allianz.co.uk/mid) for further details.

## Vehicle and claims contact

To allow us adequate time to investigate claims, clarify questions relating to vehicle changes and provide a better claims service, please provide a contact person and their details below.

	Vehicle changes (MID) contact	Claims contact
Contact name:	<input type="text"/>	<input type="text"/>
Role in company:	<input type="text"/>	<input type="text"/>
Telephone number:	<input type="text"/>	<input type="text"/>
E-Mail:	<input type="text"/>	<input type="text"/>

Please tick here if contact details are the same for both MID and Claims.

Please contact your insurance advisor if you have any questions.

## Allianz Claims Hub

Our notification and tracking portal allows Fleet Managers to manage claims more conveniently online.

### Why Allianz Claims Hub?

**24/7 Access**  
to Allianz Claims  
Hub

**Notify motor fleet claims**  
using a simple and dynamic  
question set

**Track the progress**  
of Commercial Motor claims

Through Allianz Claims Hub Fleet Managers are also able to manage access to **Allianz Notify**, our free claims notification app for fleet drivers.

**For more information on both these solutions, please visit our website by clicking [here](#).**

To register your interest and receive a registration link, please provide the following details:
