Explanation of Cover Available

There are two options of cover:

Option 1 – Commercial All Risks

Fire, Lightning, Explosion, Aircraft, Riot and Civil Commotion, Malicious Persons, Earthquake, Subterranean Fire, Storm, Flood, Escape of Water from any tank apparatus or pipe, Impact, Sprinkler Leakage, Accidental Damage, Theft, Subsidence and Escape of Oil from any fixed heating installation – **all included as standard.**

Option 2 – Specified Events

Loss of Rent

Your business will be interrupted and your Rent Receivable reduced if your buildings or contents are damaged or destroyed by Fire or any of the covers given under Property Damage. You will still have to pay expenses such as wages and extra costs to reduce the interference to your business. This policy insures your financial loss.

Basis of cover

There are two options of cover:

Option 1 – Commercial All Risks

Option 2 – Specified Events

both as described under Property Damage.

Engineering – Machinery Damage

Provides cover for a wide range of plant or machinery. The main cover options are:

- Sudden and Unforeseen Damage (including Breakdown, Explosion and Collapse)
- Own Surrounding Property – cover for damage to property belonging to you or in your custody or control caused by damage to Pressure Plant plus additional reinstatement costs that are incurred in order to comply with local authority regulations.

Computer

Provides All Risks cover including world wide transit for all types of computer equipment including laptops, personal digital assistants (PDA's), digital cameras and digital projectors. Theft cover (without exclusion of forcible entry to or exit from premises) and Breakdown are included. Optional covers available:

- Computer Media providing reinstatement of data following loss or damage. Cover for loss or damage by a computer virus or similar mechanisms is available as an optional extension.
- Additional Expenditure to avoid or reduce interruption to your business is also available.

Property Owners Liability

Provides cover in respect of all sums which you become legally liable to pay as compensation to third parties for accidental injury or damage.

Directors and Officers Liability

Directors and Officers Liability insurance provides financial protection and therefore peace of mind for directors in terms of their personal liability when managing their company in their capacity as a director.

Under the 1985 and 1989 Companies Acts directors and officers are exposed to over 200 areas of statutory liability. This means that they can face unlimited personal liability for their actions and decisions on behalf of the company. Other legislation (e.g. Companies Act 2006) has further increased such liabilities.

Where a director or officer is alleged to have committed a wrongful act (any actual or alleged breach of duty, trust, neglect, error or omission) in performance of their duties they are exposed to potential liability.

A directors personal assets may be at risk if they are sued – claims can be brought by anyone with an interest in the affairs of the company: regulators, statutory authorities, shareholders, other directors, employees and in the case of insolvency, creditors, liquidators and administrators.

Designed to meet the needs of medium to large sized UK businesses Allianz Insurance plc is one of the few leading insurers who offer Directors & Officers cover as part of a combined insurance policy.

Employers Liability

Insures your legal liability to pay compensation to employees if they are injured (this means bodily injury, death, disease, illness or shock) whilst working for you. Cover includes your costs and those of your employee.

The policy applies in the United Kingdom and anywhere in the world for employees who live in the United Kingdom and are working temporarily abroad. They must bring any claim in the United Kingdom or any member country of the European Union.

The standard limit of indemnity is £10m, but higher limits may be available on request.

Commercial Legal Expenses

Commercial Legal Expenses Standard cover is automatically provided where the Commercial Legal Expenses Section is operative and includes the following:

- Legal expenses cover in respect of legal fees for Employment, Tax and VAT, Criminal Prosecution Defence, Property Protection, Data Protection, Commercial Tenancy Agreement, Statutory Licence Appeal, Personal Injury, Jury Service Allowance, Contract Disputes and Disputed Debt.
